

Motivation Letter

APPLICATION FOR ADMISSION TO MA PROGRAMME IN

History & Economics

In the space below, you can explain to us why you are a qualified student for the MA Programme History & Economics at the University of Bayreuth. You can demonstrate your skills and interests by referring to your current research interests, your academic achievements or why you think you would benefit from our study programme. You can, for example, tell us about lectures or classes that had a lasting impact on you or refer to an internship that arose your interest in economic history. We will judge the motivation letter by its verbal expression, its structure, its scientific quality as well as the persuasiveness and quality of the arguments presented.

Please write no more than two pages!
